

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
9am						
10am	BMB, Biochemistry and Molecular Biology lecture, Department of Biochemistry		BMB, Biochemistry and Molecular Biology lecture: Department of Biochemistry		BMB, Biochemistry and Molecular Biology lecture: Department of Biochemistry	
11am	Pharmacology lecture, Downing site		Pharmacology Lecture, Downing site		Pharmacology Lecture, Downing site	
12pm	BoD, Biology of Disease Lecture: BMS lecture theatre		BoD, Biology of Disease Lecture, BMS lecture theatre	BMB, Biochemistry and Molecular Biology practical, Teaching Lab - Department of Biochemistry, 1200-1700	BoD, Biology of Disease Lecture, BMS lecture theatre	
1pm						
2pm		Pharmacology Practical, Teaching lab – Department of Pharmacology, 1400-1700	BoD, Biology of Disease Practical, Department of Pathology classroom, 1400-1600		BoD, Biology of Disease Practical, Department of Pathology Teaching Classroom, 1400-1600	
3pm						
4pm	Biology of Disease Supervision, Department of Pathology, 1600-1700					Pharmacology supervision, Department of Pharmacology, 1630-1730
5pm				Biochemistry and molecular biology supervision, Lucy Cavendish		

				college, 1730-1830		
6pm						

Name: Eve

Tripes: Biological Natural Sciences

Year of study: 2
