LUCY CAVENDISH  
COLLEGE JCR

# Meet the JCR!

(it's a cambridge thing)

# What is the JCR?

- JCR stands for Junior Common Room and is actually a physical space!
- The JCR is also a committee - made up of four executive officers and over twenty other officers i.e. Welfare Officer
- The role of the JCR is to be the voice for the students, we are the representatives of your opinions and problems.
- We hold events such as bops (big-organised parties) each term, welfare events and other fun activities to take your mind off the stress of Cambridge!
- The JCR can be considered another branch of support, we know it is often easier for students to talk to other students about their problems than staff.
